

MEDICAL KRAFT PAPERS

ASSURANCE DOCUMENT

MEETING MODERN HEALTHCARE DEMANDS

Billerud is a leading global supplier of high-quality medical kraft paper. Paper machines in Sweden and the United Kingdom are dedicated to medical paper production. Rigorous process & quality control ensures a consistent and reliable supply of the most advanced and versatile medical kraft papers.

ENSURING MANUFACTURING MANAGEMENT

Management System	Beetham mill UK	Skärblacka mill Sweden
Quality	ISO 9001	ISO 9001
Environmental	ISO 14001	ISO 14001
Hygiene	The above Mills have Managed Hygiene systems in place. These are being developed in line with BRC/IoP and EN15593	

ENSURING PRODUCT SAFETY

Billerud medical kraft papers are produced in compliance with the most stringent product safety requirements:

- BfR & FDA food packaging norm
- Regulation (EC) No 1935/2004 on materials and articles intended to come in contact with food
- Packaging Directive 94/62/EC, which prescribes essential requirements and levels of heavy metals
- Good Manufacturing Practice "GMP" as stated in Regulation (EC) No 2023/2006 for material and articles intended to come in contact with food

ENSURING PRODUCT COMPLIANCE

All Billerud barrier packaging complies to ISO 11607-1 and at least one of the following sections of the European Norm EN 868; Packaging materials and systems for medical devices which are to be sterilised:

ISO 11607-1	Packaging for terminally sterilised material devices	All Billerud barrier packaging papers
EN 868 Part 2	Sterilisation wrap - Requirements and test methods	All Steriwrap, Supawrap & Supadrape papers
EN 868 Part 3	Paper for use in the manufacture of paper bags (specified in EN 868-4) and in the manufacture of pouches and reels (specified in EN 868-5) – Requirements and test methods	Selected Sterikraft papers
EN 868 Part 6	Paper for low temperature sterilisation processes – Requirements and test methods	Selected Sterikraft papers

Compliance to the above is regularly verified by independent certification of representative grades from each product group. Specific certificates can be provided on request.
